Club Champion's indicated in Gold

Club Championship Events.

The Club Championship events are conducted in each of the CA categories over three events, a criterium, a time trial and a road race, and are scored on the following basis:

First 10 points plus Gold Medal

Second 6 points plus Silver Medal

Third 4 points plus Bronze Medal

Start 1 point

Finish 1 point.

Perform rostered duty in lieu of riding 2 points.

A special "Champion's" jersey is awarded to the rider in each category with the highest aggregate points and who has competed in all of the three club championship events. There must be more than one rider in the category for a jersey to be awarded. In the case of a tie, the number of first, second and third places is compared. If there is still a tie, multiple jerseys are awarded (as has happened this year is MMAS3 & MU17). Full results for each event can be found on the 'Results' page of the website.
