Bikestyle Tours has been organising cycling trips to Europe since 1996. In 2019 that will be an amazing 23 years of organising trips to the Grand Tours, Spring Classics, Tour Down Under and Tour of California are also UCI World Tour events where we host international visitors annually.

Our enthusiastic trip guides are supported by our 23 years of knowledge. Our guests have an unequalled experience. Our guests have high expectations, after all it is their trip of a lifetime. Our guests create new friendships and great memories and their desire to return with us is our pride in delivering a fantastic product.

Our trips are value for money. Luxury, where it is appropriate. We travel with custom bike trailers carrying a hot shower for guests after each ride and we stay in 3 or 4 star accommodation. Our high guide-to-guest ratio and attention to every detail enables our charismatic guides to deliver great service, every time.
